

 SERIES

PEACEFUL BODY, PEACEFUL MIND, PEACEFUL HOME

With ultra-versatile layouts to accommodate every individual and family, robust yet simple functionality, and gorgeous aesthetics, your M Series spa is the ultimate way to enjoy a peaceful body, peaceful mind, and peaceful home.

UNMATCHED VERSATILITY

With personalized JetPaks, convenient and therapy-equipped elevated seats, and premium therapy seats, M Series features first-of-their-kind seating layouts that can be enjoyed in many ways by people of all sizes. In short, M Series provides the most comfortable, therapeutic, and social engaging spa experience available.

INTUITIVE & USABLE FUNCTIONALITY

Personalized massages, adjustable headrests, safe and easy entry, rich integrated sound, full control from anywhere, and the most simple and effective water care system ever offered—these are just a few of the functional ways M Series make your spa experience peaceful and easy.

STUNNING AESTHETICS

Intended to be appreciated from both outside and in, M Series spas offer coordinated color profiles, contemporary finishes, tasteful lighting, and integrated trim packages that make this spa the centerpiece of a well designed home and backyard environment.
